6. On 22 and 23 March and 30 April 1952, Braila was also occupied by Rumanian troops. A three-story barracks installation, about 100 meters from the quay on the south side of Strada Imparatul Traisn, was occupied by soldiers wearing black epaulets. Some of them were the insignia of a crossed space and hammer on their epaulets. Diagonally across from this installation was a two-story building which was occupied by soldiers wearing red epaulets. Soldiers wearing black epaulets were located in a two-story building on a street which paralleled Strada Imperatul Trains on the south. (6)

25X1 25X1 ⁽¹⁾ 25X1 25X1	Comments. It is known from previous reports that trails is occupied by Soviet troops. Although it was not possible to identify units, it as believed that a Soviet tank division or mechanized division is stationed in mastern Rumania.				
(2)	The troops mentioned were either engineers or soldiers of signal units.				
25X1 ₍₃₎	The 9th Border Guard Negt in 1. Severin is confirmed. Intellity and artillery units are apparently also stationed in the town.				
(j)	Probably officers of the Militia as these officers wear blue wiforms and blue visored service caps with red band.				
25X1 (5) (6)	Rumanian border troops in Giurgiu were previously reported. Rumanian engineer units are known to have been stationed in the tean since
